Group Dining & Private Parties

Welcome to Osteria

We are delighted to have you considering Osteria for your celebration!

With a rich history steeped in Italian tradition, an osteria is best known as a traditional eatery, a place to enjoy good wine and simple food. But the true essence of our Osteria is more than just a place to feast - it's a place for making memories.

We combine Italy's soulful cuisine and timeless spirit with a welcoming atmosphere. The menu offers a vibrant mix of authentic Italian comfort foods with our unique approach to flavors, freshness, and presentation. Our group menus comprise some of Osteria's staples and can be adapted to your needs.

So whether you're going rustic with a board of cold cuts and cheese or indulging in flaky, tender baked Branzino, Osteria is sure to bring friends and family together for any and every occasion.

We look forward to hosting your party!
